Changes for CY 2016 UDS Reporting

Table	2016 Changes
3A/3B/4	*Patients are to be reported according to their sex at birth on Table 3A* *Patients will also be reported by sexual orientation and by gender identity (SOGI) on Table 3B.* *Reporting of public housing count has been further clarified on Table 4.*
5/5A/8A	*New lines have been added to Tables 5 and 8A to report staff and costs:* *See table below* *Reporting of tenure data for dental therapists has been added to Table 5A.*
6A	*All Table 6A diagnosis codes for selected diagnoses and services rendered are revised from ICD-9 to ICD-10 codes.*
6B/7	*To support Department-wide standardization of data collection and reduce health center reporting burden, the specifications for the clinical measures in Tables 6B and 7 listed below have been revised to align with the Centers for Medicare & Medicaid Services' electronic-specified Clinical Quality Measures (e-CQMs). The quality of care measures are aligned with e-CQMs for Eligible Professionals June 2015 eReporting update for the 2016 reporting period. (While there are other updates available, they are not to be used for the 2016 reporting.)*

Table embedded in row 5/5A/8A:
