

Vaccine Policy Change

As a result of federal guideline changes from the Centers for Disease Control and Prevention:

Beginning Oct. 1, 2012, this office can only serve:

Vaccines for Children (VFC) eligible clients

Clients without insurance

If you have any of the below, you do not qualify to receive vaccines at this office:

- Insurance that covers the cost of vaccine
- Insurance that includes a high deductible or co-pay
- A claim denied by an insurance plan due to an unmet deductible

All clients seeking vaccine services at this office will be screened for eligibility.
